

**Payment for Services: Mental Health and AODA Clinic
Day Treatment Clinic
AODA Contracted Facilities**

Waukesha County Department of Health and Human Services

When you receive outpatient services at the Waukesha County Mental Health Clinic and do **not** have insurance, HMO, Medicare, Medicaid (Forward Health), or Badger Care HMO coverage, you will be charged on the basis of the family's ability to pay. An ability to pay amount will be calculated upon full financial disclosure.

We will bill your insurance, HMO, Medicare, Medicaid (Forward Health) or Badger Care HMO coverage for outpatient services if you have signed the appropriate authorization forms. However, you may be responsible for whatever part of your services your insurance does not cover.

Waukesha County may contract with outside facilities to provide services. Alcohol and Other Drug Abuse (AODA) clients, as well as Intoxicated Driver Program (IDP) clients, receiving residential or day services, will be liable for the first \$1000 worth of services before any reduction of liability. This \$1000 deductible is per family/calendar year.

A Fiscal Account Clerk from the Billing Unit of the Waukesha County Department of Health and Human Services will interview you to obtain financial information. You will need to provide:

1. Personal and family information
2. Third party payer information (insurance)
3. Employment & income tax information.

After you provide full financial disclosure, an ability to pay amount will be calculated. If your financial situation changes or the size of your family changes, your ability to pay amount will be recalculated.

Until you provide full financial disclosure, you will be billed at full cost.

If you receive **contracted AODA inpatient services, you will be responsible for the full cost of services.** A payment schedule for these services will be determined when full financial disclosure is provided.

We will make every effort to work out extended or special payment plans if you have difficulty making the monthly payment determined by the Fiscal Account Clerk. Additional information will be requested and reviewed by a Waukesha County Collection Specialist to provide this service.

Payment for services is an obligation established by law. The primary statutes that provide Wisconsin's fee system are §§ 46.03(18) and 46.10. The Uniform Fee System is further specified in the Wisconsin Administrative Code, Chapter DHS 1 of the Department of Health Services.
